## LET'S INTERCHANGE AT THE **OHIO TRAFFIC SAFETY SUMMIT 2024!**

### ***Buckle up for May 20-21 in Columbus, Ohio at the Ohio Union at OSU!***

On behalf of the **Ohio Traffic Safety Office (OTSO)**, we're so excited to have you join us for the annual Ohio Traffic Safety Summit! We are thrilled to host the state's premier summit on traffic safety, May 20-21, 2024 at the Ohio Union at OSU, to work together to save lives and prevent injuries on our roadways.

On Monday, May 20 at 9:00 a.m., Keynote Speaker **Dr. David Harkey**, president of the Insurance Institute for Highway Safety and the Highway Loss Data Institute, will bring an exciting message to us to open up our two-day Summit. Keynote Speaker **Torine Creppy**, president of Safe Kids Worldwide, a global nonprofit dedicated to protecting kids from preventable injuries, will lead us out on a positive note during the Closing Luncheon on Tuesday, May 21 at Noon.

**This event highlights Ohio's collaborative approach to bringing together federal, state, and local partners. Over 15 workshops will cover topics including seat belt use, distracted driving, youth drivers, law enforcement, earned media coverage, and more!**

*Meet the people who will guide you on your path to new and improved ways of thinking about traffic safety...*

**Dr. David Harkey**

President

**Insurance Institute for Highway Safety**

**David Harkey** is president of the Insurance Institute for Highway Safety and the Highway Loss Data Institute.

Before taking the helm at IIHS-HLDI in 2018, Dr. Harkey led the University of North Carolina Highway Safety Research Center for 11 years. There he directed numerous projects to improve roadway design and operations for all road users, develop tools and strategies for enhanced safety analysis and improved data collection, and create training materials for safety professionals. He has led major research programs and projects for the Federal Highway Administration, National Highway Traffic Safety Administration and other public agencies throughout his career and published numerous technical reports and peer-reviewed articles.

Dr. Harkey received a doctorate in civil engineering from NC State University and a Master's and Bachelor's in Civil Engineering from UNC Charlotte. He is actively involved in several professional transportation organizations.

**DAY 1 — Monday, May 20**  
Opening General Session @ 9:00 a.m.

**Torine Creppy**

President

**Safe Kids Worldwide**

**Torine Creppy** is the president of Safe Kids Worldwide, a global nonprofit dedicated to protecting kids from preventable injuries. For nearly 23 years, Ms. Creppy has dedicated her career to making a meaningful difference in the lives of children and families, especially the most vulnerable. As president of Safe Kids, she works with partners, donors, legislators, and community leaders around the world to develop and implement strategic initiatives, create partnerships, and inspire behavior change to keep kids safe at home, on the road and at play. Ms. Creppy is a passionate advocate on Capitol Hill and is dedicated to finding new ways to reach high-risk and underserved communities. She also focuses on emerging issues such as child safety in automated vehicles...

Ms. Creppy enjoys volunteering in direct outreach and advocacy for homeless and food insecurity initiatives, reading autobiographies, 5K marathons for causes, youth mentoring and spending time with her teenage son. Ms. Creppy lives with her family in Upper Marlboro, Maryland.

# DAY 1: Monday, May 20

## **Workshop Block A** 10:30 a.m. - Noon

**MONDAY, MAY 20**

10:30 a.m. - Noon

**Great Hall 3 (1<sup>st</sup> Floor)**

### ***Elementary Seatbelt Program: Buckle Up with Brutus***

Janelle Ozmun, Ohio Traffic Safety Office

Deanne Hicks, SADD

Julie Mansfield, The Ohio State University

Ross Cowgill, Hocking County Sheriff's Office

Jake Hartman, Delaware County

Learn about a new statewide initiative geared toward 2nd and 3rd grade students to encourage seat belt and booster seat usage, while making them aware of how to be good passengers in vehicles. This program is a result of a collaboration between Students Against Destructive Decisions (SADD), the Ohio State University Injury Biomechanics Research Center, and the Ohio Traffic Safety Office. Come hear how science is driving this fun, new way of promoting safety for Ohio children.

---

**MONDAY, MAY 20**

10:30 a.m. - Noon

**US Bank Theater (1<sup>st</sup> Floor)**

### ***Law Enforcement Roundtable***

Jonlee Anderle, NHTSA

Lt. Shawn Fryman, Hamilton Police Dept

Nakia Hendrix, Ohio State Highway Patrol

Sheriff George Maier, Stark Co. Sheriff's Office

Traffic safety *\*is\** public safety and is needed now more than ever. Hear from three law enforcement leaders from state, county, and local agencies on current challenges and potential solutions to engaging in traffic law enforcement.

---

**MONDAY, MAY 20**

10:30 a.m.-Noon

**Great Hall 1 & 2 (1<sup>st</sup> Floor)**

### ***Ohio Handheld Cell Phone Ban: Year One Report***

Michelle May, ODOT

Jonathan Nelson, Missouri Department of Transportation (MO DOT)

Ryan McMahon, Cambridge Mobile Telematics

Jayne O'Donnell, Youthcast Media Group

Many states like Ohio and Missouri have passed better distracted driving laws. But how do we sustain the momentum and build long-term behavior change? Speakers will give examples and tips that attendees can use to improve their local outreach efforts.

# DAY 1: Monday, May 20

## **Workshop Block B** 1:00 - 2:30 p.m.

**MONDAY, MAY 20**

1:00 - 2:30 p.m.

**Great Hall 1 & 2 (1<sup>st</sup> Floor)**

### ***Nonmotorized Road User Safety: The Pedestrian Fatality Problem***

Lauren Cardoni, MORPC

Harvey Miller, The Ohio State University

Letty Schamp, City of Hilliard

Michael Liggett, City of Columbus

Pedestrian fatalities are on the rise nationwide. In this session, learn about the latest efforts to address the problem in central Ohio and why built environments matter in making roadways safer.

**MONDAY, MAY 20**

1:00 - 2:30 p.m.

**Great Hall 3 (1<sup>st</sup> Floor)**

### ***Teen Listening Session***

Carol Lucio, Ohio SADD

Student leaders from:

SADD, FCCLA, Ohio School Safety Council, and Youthcast Media

Youth engagement is both a process and an outcome. One reason youth engagement can be challenging to articulate is because it actually refers to two distinct but related concepts: youth engagement as a process and youth engagement as an outcome. Join us as we hear from young people how to engage best and empower them to reach their peers for better results. You will walk away impressed and inspired!

**MONDAY, MAY 20**

1:00 - 2:30 p.m.

**US Bank Theater (1<sup>st</sup> Floor)**

### ***Traffic Safety in the Age of Non-Medical Marijuana***

Holly Reese, Ohio Traffic Safety Office

Christopher Kinn, Ohio State Highway Patrol

Sam Cole, Colorado Department of Transportation

Christine Frank, NHTSA

Ohio became the 24th state to legalize adult use marijuana in December 2023. We will be addressing criminal justice and law enforcement trends, training, and educational tools specific to cannabis use and legalization, including cannabis targeted communication and education to the public and what Ohio can learn from the state of Colorado.

# DAY 1: Monday, May 20

## **Workshop Block C** 3:00 - 4:30 p.m.

**MONDAY, MAY 20**

3:00 - 4:30 p.m.

**US Bank Theater (1<sup>st</sup> Floor)**

### ***Establishing Equity for Youthful Drivers***

Kimberly Schwind, Ohio Traffic Safety Office

Amy Eing, Athens-Meigs ESC

Richard Hall, Ohio Valley ESC

Megan Ryerson, Ph.D., UPS Chair of Transportation

This session will look at equity and access to driver training. Presenters will provide an overview of driver training equity issues in Ohio, and give examples of how new grant programs are helping to overcome these issues. They will also provide key takeaways for attendees on how to address driver training equity issues in their own communities.

---

**MONDAY, MAY 20**

3:00 - 4:30 p.m.

**Great Hall 3 (1<sup>st</sup> Floor)**

### ***Expert Opinions: The Value of DREs***

Christopher Kinn, Ohio State Highway Patrol

Samuel Criswell, Ohio State Highway Patrol

Rob Richardson, KY Office of Highway Safety

Nick Baldauf, Ohio State Highway Patrol

A drug recognition expert (DRE) is a law enforcement officer who is highly trained to recognize impairment of drivers under the influence of drugs other than or in addition to alcohol. Join us to learn more about Ohio Drug Recognition Expert Program and how DREs can help with the detection, apprehension, and adjudication of drug-impaired drivers.

---

**MONDAY, MAY 20**

3:00 - 4:30 p.m.

**Great Hall 1 & 2 (1<sup>st</sup> Floor)**

### ***Scoop! How to Encourage Media Coverage of Traffic Safety***

Judith Converse, Public Information Officer

Kristine Varkony, NBC4 News

Chrissy Morton, WSYX-ABC6/FOX28 Columbus, Ohio

Ray Santiago, Ohio State Highway Patrol

The media plays a critical role in informing drivers about Ohio's traffic safety stories. From impaired driving, to Ohio's seat belt usage, to the campaign underway to educate everyone about a change to the distracted driving law. What goes into an effective story pitch or press release that gets coverage in today's digital world? We're turning the microphone on media professionals to gain some behind-the-scenes insight.

# DAY 2: Tuesday, May 21

**TUESDAY, MAY 21**

10:30 a.m. - Noon

Cartoon Room 2 (3<sup>rd</sup> Floor)

### **Older Road Users**

Kimberly Schwind, Ohio Traffic Safety Office

Angie Wise, Stay Fit to Drive

Julie Dominik, Cleveland Clinic Mercy Hospital, Driver Rehab

People age 65 and older make up the fastest growing age group in Ohio and the United States, and many of these people are still licensed to drive. This session will focus on how aging impacts someone's ability to drive, and how Ohio is working to keep people driving as long as safely possible. Attendees will also hear strategies from the neighboring state of Michigan for keeping older road users safe and mobile.

---

**TUESDAY, MAY 21**

10:30 a.m. - Noon

US Bank Theater (1<sup>st</sup> Floor)

### **Speed Management**

Jeff Anspach, Ohio Traffic Safety Office

Eric Brown, Ohio State Highway Patrol Canfield Post

Tyler Harris, Hilliard Division of Police

Ryan McMahon, Cambridge Mobile Telematics

Discussions on utilizing enforcement, education, and engineering to address speed and other various traffic-related offenses, with a specific look at one municipality's approach and tactics.
